

Feedback Form

IAMP ONE – Consultation on the first phase of the International Advanced Manufacturing Park (IAMP)

How to submit your comments

Thank you for taking an interest in the consultation for the IAMP ONE. The best way to have your say is to complete this feedback form, either in hard copy or online at www.iampnortheast.com/consultation.

All consultation responses must be submitted by no later than 5pm on 22 December 2017.

Section 1

Please have your say on IAMP ONE

1.1 The IAMP ONE is proposed to kick start the wider IAMP project by delivering up to ten specialist automotive and manufacturing units by Summer 2019, creating over 2,000 jobs. Do you agree with the plans to support the area and the economy?

Strongly agree Agree Neither agree or disagree Disagree Strongly disagree

Please use this space to make comments:

1.2 The draft masterplan is a drawing that shows how the site could be developed and what the IAMP ONE might look like. You can see on the draft masterplan that there are spaces proposed for a number of specialist automotive and manufacturing units; an access road from the A1290; and areas of green open space and landscaping.

Do you have any suggestions for us to consider on the layout or general design of the draft masterplan?

1.3 One of the key features of the IAMP ONE is to restore, manage and create new environments within the site for plants, habitats and wildlife. Do you agree that should be an important aspect of the IAMP ONE?

Strongly agree Agree Neither agree or disagree Disagree Strongly disagree

Do you have any other suggestions as to how we could protect plants, habitats and wildlife on the IAMP ONE?

1.4 We have to assess the likely impacts of the IAMP ONE on the environment and work out how to reduce them. Do you have any comments about how we should assess and work to reduce any impacts, such as noise or the effect on the landscape?

Please use this space to make comments:

1.5 On the masterplan for the IAMP ONE we show where a transport network could be located on the site, including access roads. The masterplan also shows where the proposed entry points to the site are planned. Do you agree that this network would allow the IAMP ONE to connect well to the wider area?

Strongly agree Agree Neither agree or disagree Disagree Strongly disagree
